HOW TO BECOME A MEMBER

March 2016

The OYC is member-owned Club and new members must be "Sponsored for Membership" by a current member who has completed at least one calendar year of membership and is in good standing (current dues fully paid.) Once sponsored and the information below has been received by the OYC Membership Director, the individual or family's request is brought before the board of directors for vote. Pending board decision, the Membership Director will send an invitation to join letter along with a Membership Application, Fee Schedule and Club Rules and Regulations. The sponsoring member will be advised of the status of their request.

All members, new and existing are encouraged to volunteer their help, or any special skills they may have at any time throughout the year and at spring and fall Clean Up Days.

Prospective members have 30 days to accept or decline their invitation. Annual dues and chit fee along with a portion of the initial initiation fee, which may be paid over a three year period, are required at this time.

What If You Don't Have a Sponsor?

The Owasco Yacht Club is aware that some well qualified prospective members may be new to the area or do not know a current member who can sponsor them for membership. A request for membership should be sent to the Membership Director as shown below.
