

**The Owasco Yacht Club is the best kept secret on Owasco Lake.
But we're not trying to keep it a secret!**

Here are a couple of misconceptions about this organization:

1. We don't actually have any yachts. The OYC has been in existence for 128 years. Back in the early days there really were yachts, but the name is our heritage and we have no plans of changing it.
2. You don't need to have a boat to belong. Many members only have kayaks or SUPs.
3. It's not a clique. Members are friendly and welcoming to new members and guests.

The OYC is a private club in that it is member owned. Each membership pays a small initiation fee that may be paid over a five-year period along with extremely reasonable annual dues. There is no other organization comparable anywhere on Owasco Lake.

Some of the many benefits of membership include:

- More than 620 feet of prime and pristine lakefront for their enjoyment
- Clubhouse, restroom and shower facility
- Professional music and entertainment acts booked through the main summer season
- Playground for the children
- Boat hoists (there is a waitlist as they are at a premium) but a private boat launch and hoist for sailboats are onsite
- Swim area staffed with accredited lifeguards during the main season
- Year-round social activities
- A kitchen operator hired annually to offer food service
- Several picnic areas with fireplaces
- Covered picnic area

Owasco Yacht Club can be "your place on the lake" too!
