COMMODORE'S CORNER

WOW!! What an Opening Dinner Dance! We scheduled our clean-up day a week after the Opening Dinner Dance. Little did we know we would need the full week to rest up. There was a great turn out and we thank Adele for a great job. We believe that there will be more great events to follow. If you missed the opening, plans are being made to sell copies of the tape.

We challenged you to help your board put YOUR Owasco Yacht Club in shape on clean-up day and we would like to thank the following individuals and families who responded. Hopefully, this list includes everyone who was there. If we missed you, we are sorry.

The kitchen and clubhouse are starting to take shape and even as that goes on we will be tackling the steward's cabin. Eviction notices have been given to the various creatures that have taken up residence and foundation work will begin shortly. This is a must for us as the building is in danger of being completely lost.

(continued)

Very often I hear members say they would like to learn how to sail, Well, Steve Vincent has a very extensive sailing program lined up for the season. So please look for his schedule in this newsletter and come up to the club. Most of our boats have room for crew and you are always welcome to participate. Start in June with our early races and by August you could be a solo racer.

Remember that this is YOUR Yacht Club and we can only be as great as you help us to be.

Also, remember on The Fourth of July, it's a national holiday. Please respect other people's property when using sparklers and please pick them up! Fire works are not permitted under any circumstances.

Kitchen News

Thanks to the efforts of David, John and Rich Knaul, Jeff Wright and Steve Hartnett, a new quarry tile floor has been installed in the clubhouse kitchen. It looks great will be safer for the staff, and should last for many years. A new cooler and a stainless steel prep table have been ordered for the kitchen, scheduled to arrive just before opening.

The club has purchased a nice portable gas grill which Diana can use just outside the kitchen back door, or it can be rolled out to the deck for special events. We used it on clean-up day and the hot dogs tasted delicious.

Leo Warren has built our moveable planters/dividers which will be used to section off the dining area from the rest of the clubhouse. I think they turned out well and will be an attractive addition to the clubhouse - thanks Leo!

Other items we are working on are new tablecloths and candles for the dining room tables. The dining, entry and fireplace areas are being carpeted - hopefully to be installed before our opening. We would also like to have ice available for purchase on a regular basis throughout the season - watch for an update on this....Please remember, the success of the kitchen depends on your patronage.

Here's to a sunny, relaxing and fun summer!

We are looking for a donation of:

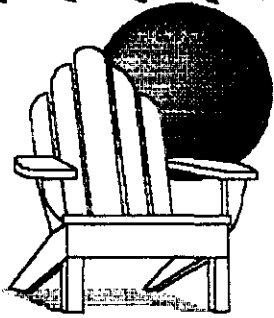

a Ping-Pong Table
and
a Volley Ball Net

Please call

There is a boat trailer parked in our lot with the license #NY92333U. We believe it does not belong to a member, so we will have it removed from your club.

SOCIAL EVENTS

Thanks for all the help decorating for our opening luau. Would you believe it only took us forty minutes to decorate? Lots of hands make less work - so true.

I'm trying to get some activities going for the kids. I have asked Ms. Bernie Wuerslin, a retired art teacher, to motivate and inspire our youngsters. Bernie will be doing art through nature. We need a few donations:

- scraps of material
- Plaster of Paris
- yarn scraps
- tacky glue
- wall paper paste
- regular size glue sticks for a glue gun
- any doctors? We need that new ready made stuff that you make casts out of for broken bones.

We are cleaning out the old bunk house for an ART SHACK. Will someone volunteer to help with this chore? There's not much in there. We also need some quick shelves built - nothing fancy. We'll find a corner in the Club House to store donations until the art shack is ready. Tricia Purdy will be my assistant in charge of Kid Projects. See Tricia for questions and ideas. Thank-you, Tricia! Call Adele (253-7957), if you can spend 1 hour helping to get our ART SHACK ready.

Remember to check our social calendar and Club House bulletin board for events. NO PHONE CALLS, NO POST CARDS - I'm too busy making and having fun for these costly and time consuming chores.

HOT DOG ROAST - JUNE 18TH - serving 6 - 7:30 Kitchen will provide hot dogs, salads, lemonade, & coffee. Members bring dessert to pass (for 8). **MUSIC - 7 - 10 PM - Bobby Doyle Trio featuring John Kane on sax.**

Every Wednesday night: 7 - 10PM - Music on the deck. Check bulletin board for details.

SAILING NEWS

The sailing schedule has been set. There will be three series plus two regattas.

The First Series is the "Frost Bite or Tune Up" Series. It will consist of Sunday races and Wednesday evening races in June. The Sunday races start promptly at 10:30 and the Wednesday night races will start at 6:30. This means that you should be there so you are in the water and ready to go at the appointed hour.

The Second Series will be the Sunday morning races each Sunday in July and August. The exception will be the two regattas. These will be held on July 3rd and September 4th. Both are Sundays.

The Third Series will be the Wednesday mid-week races each Wednesday in July and August. A full racing schedule will be posted on the sailing board located in the northwest corner of the Club. (Sundays - 10:30, Wednesdays - 6:30)

I also talked to each of the students who went through the sailing program. They are willing to crew for anyone who needs a crew. This is great experience for them and a great help for you. Their names and numbers are:

Jennifer & Gerry Russell - 252-5795
Zachary Buschman - 253-8385
Michael Estrich - 253-2935
Stephanie Hutchinson - 252-5325
Amanda & Alexandra Stankus - 255-3631

Anne & Tricia Purdy - 253-4278
Korynne Blair - 253-9493
Jennifer Fusco - 252-6523
Michael Plum - 252-8329

We are also happy to announce plans for another series of sailing lessons. Jack Cavanaugh is lining up an instructor. We would like to schedule for the month of August. Anyone interested in the lessons, please give me a call so I can put you on the list for future correspondence.

I want to thank Al Kalicki for helping out with the first race held on Sunday. He volunteered his boat to set the marks and helped with the scoring. We had great winds and ran off three races. We had several new sailors and a great time was had by all.

If anyone, sailor or not, would like to help with running the races please give me a call. You need to know nothing about sailing! Most of us sailing don't either. So come join us for a good time. Please call with your names.

The last item is the June 25th Learn To Sail Or Just Come And Have Fun Don Hoffman seminar. See the flyer enclosed. With Don's humor and skill, it is sure to be fun.
