THE WINDWARD

Owasco Yacht Club, Inc.
Auburn, New York

August 1996

★★Sailing★★

For the third straight year, Tony St. Phillips headed our Junior Sailing Program. It was a great success with 18 registrants. Next time you see Tony, thank him for his time and patience in teaching our next generation of sailors.

The spring Frostbite Series began the second of June with Jim Kusche winning the hardware over the 12 race series. The July 4th Col. Peet Regatta was held over 2 days in a variety of wind conditions. Jim Kusche won overall in the Hobie 16. The sloop class was bested by Joe Wolczyk in Catalina 22 and the Laser class was won by Peter Whiting. Many thanks to Jeff Wright for being race committee.

After many requests from sailors and non-sailors, we are moving Wednesday night races to Thursday beginning July 25th. Hopefully, this will bring more participation among our sailors and better enjoyment for our music audience.

Crews are needed. Every race day there is a skipper looking for crews. No experience is necessary and we will train with no yelling. Start times on Sundays are at 9:30 and Thursday at 6:00. Show up 30 minutes before and we will find you a boat. This is also an invitation to the junior sailors to join us as crew members or in your own boats. Again, many thanks to Tony for his time and effort put towards the OYC Junior Sailing

Program.

See you in the water,

Peter Whiting
Sailing Director

~COMMODORE'S CORNER~

A big Yacht Club welcome to the following new members:

- Bernie & Neal Owen
- Timothy & Rosemary Williams
- Arthur & Marie Harris
- James Coleman
- Paul Querns
- Mark Wayne
- Gary & Theresa Mason
- Gary & Marsha Chabot
- William Nemec
- Lawrence and Beth Liberatore

Please introduce yourselves if you happen to see any of these folks at the club. New members need not hesitate to do the same, it's the only way acquaintances are made and friendships blossom. I hope you have all found the Yacht Club to be a pleasant respite from the hectic work day.

As a reminder, with our season in full swing, it is important to be aware of some of the rules and regulations that have been made in previous years: 

1) Please note that last year the Board of Directors agreed that for reasons of safety and environment, personal watercraft may not be launched, operated, moored or stored within the Owasco Yacht Club boundaries.

2) There is *no parking* along the right hand side of the drive near the playground (north end). Also, no parking on the grass or on the stones near the clubhouse. Keep the driveway clear for boat launches on the south end. As always, be considerate of others when you park.

Regarding the new raft - the Brock Dock raft was specially selected for safety reasons. As all of you know, SAFETY for each and every member is of primary concern. Decisions like this are made by the board with safety at the top of the list. We can only apologize to those that had bathing suit pilling from this surface.

Make note of the August Yacht Club calendar. Hope to see you at the "Main Events."

Lastly, compliments to Michael Carbaryl. The club grounds looks great. Thanks for keeping everything in "Yacht Club order."

My best to all for an enjoyable Yacht Club summer.

Suzanne Klink
Commodore

OYC DINING

The Chicken Barbecue the kitchen put on last Saturday was really *delicious*. About

70 people attended and many thanks to Bernie and Terry for the ice cold draft beer!

Just a reminder that if you'd like to come to Friday night dinner, please reserve by kitchen closing on Thursday night. The window closes at 6PM on Friday during dinner and during special events like barbecues and brunches. All special events require your consideration of a reservation. Thanks!

Last *Windward* I asked for recipes that members would like to share, and two members offered the following:

Prairie Pea Salad Submitted by Millie Cefaratti

- ¼ C. lemon juice
- ½ C. chopped onions
- 2 C. frozen green peas (thawed)
- 1 C. cubed cheddar cheese
- 2 C. lettuce (small pieces)
- 8 slices bacon, cooked and crumbled - can use Canadian bacon, pancetta, chicken or turkey
- 6 TBSP mayonnaise

1 day before serving, mix all ingredients except lettuce and bacon. Refrigerate. Add lettuce and bacon. Serve on a lettuce leaf.

Jamaican Fruit Smoothie Submitted by Shirley Bayus

- 1 sm. container strawberry or raspberry yogurt
- 1 banana
- ½ to 1 C. strawberries or raspberries or a combination of both
- ¾ C. orange juice
- 3 - 4 ice cubes

Blend in blender. Great snack for the kids!

Linda Hartnett, Kitchen Director
